CREATE

Link's powerful abilities let him make audacious weapons and craft creative ways to travel across Hyrule.

TIP

Link can use the **Fuse** ability to magically stick objects to his current weapon, shield, or arrow —with wild results!

I WOULD FUSE:

AND

TO CREATE

DRAW YOUR FAVORITE CREATION

TIP

Link can use the **Ultrahand** ability to pick up and attach objects to create bridges, boats, and even flying machines.

DISCOVER

Find new ways to build, battle, and play as you try to uncover the secret menace that threatens Hyrule.

TIP

Link can use the **Recall** ability to send projectiles back to the enemies who threw them.

**MY THREE
FAVORITE CHARACTERS:**

DRAW LINK BATTLING AN ENEMY

EXPLORE

Link must travel across the land and skies of Hyrule to discover the origins of the mysterious gloom that plagues the kingdom.

TIP

Link can use the **Ascend** ability to rise through solid objects to create seemingly impossible shortcuts.
