

ARMS™ Pencil Toppers

Turn a regular pencil into an ARMS champion!

Materials needed: paper / tape / scissors – Kids, ask a grown-up to help!

- 1 Choose the ARM you want, then cut out along dotted lines. Fold in half lengthwise along solid lines, then tape together to make a double-sided ARM.
- 2 Reinforce the ARM on both sides with transparent tape. Fold ARM like an accordion along solid lines.
- 3 Wrap ends of ARM around pencil top (eraser end, not pointy end), then secure with tape.
- 4 You can have your pencils duke it out to determine the ARMS champion.
