

Mario Strikers: Battle League Goal Game

Try to flick the paper ball past your opponent and into the DIY goal!

MATERIALS NEEDED:

- Paper
- Tape or glue
- Scissors (Kids, ask a grown-up to help!)

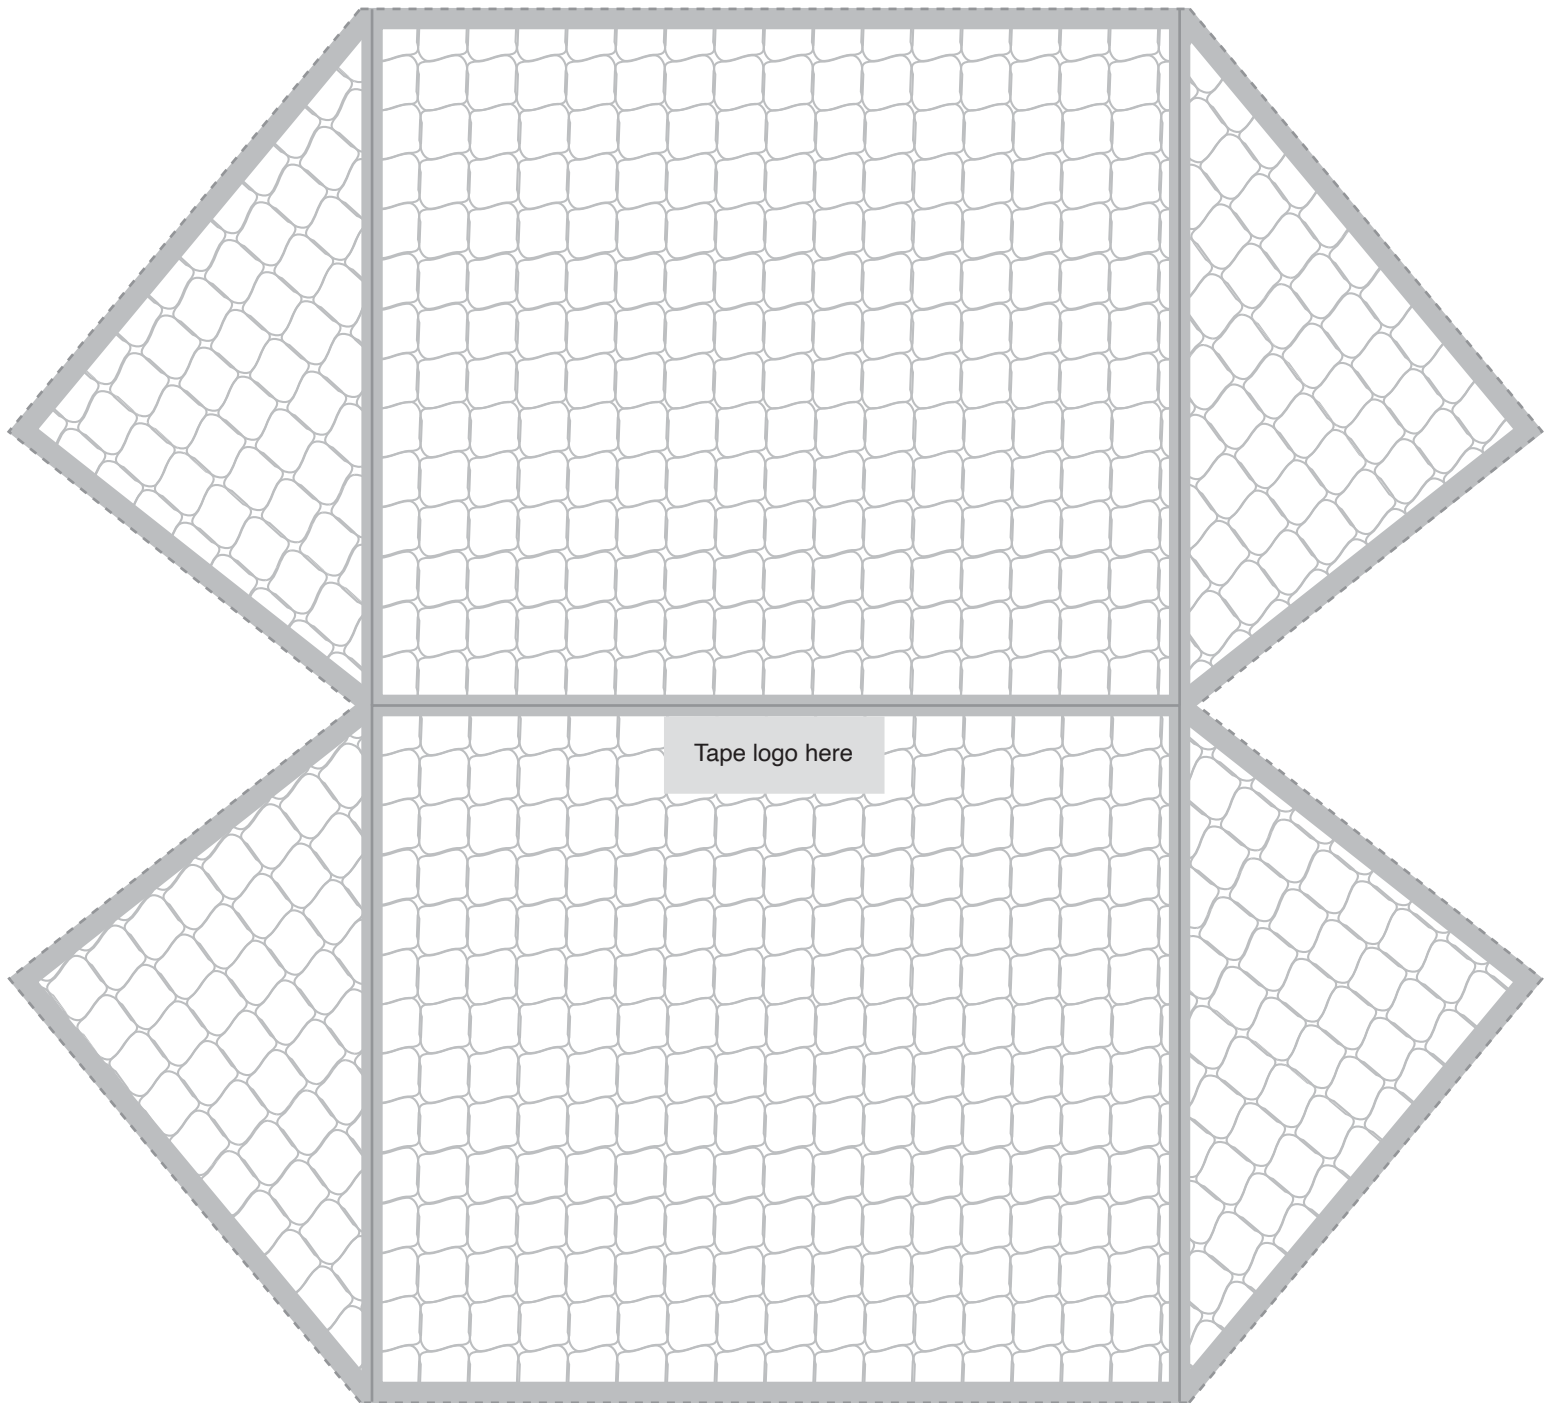

STEP 1: Cut out the pieces along the dotted lines.

STEP 2: Fold the goal post in half along the solid lines so that the netting is on the outside. Fold the triangular flaps in to hold up the goal, then tape or paste the game logo on top where indicated.

STEP 3: Create a little soccer ball by crumpling up the leftover pieces of paper.

STEP 4: Fold the bottom tabs on Mario and Luigi along the solid lines, then put them in front of the goal. Try to flick the paper ball past your opponent and into the goal!
