

Barrel Roll Thaumatrope

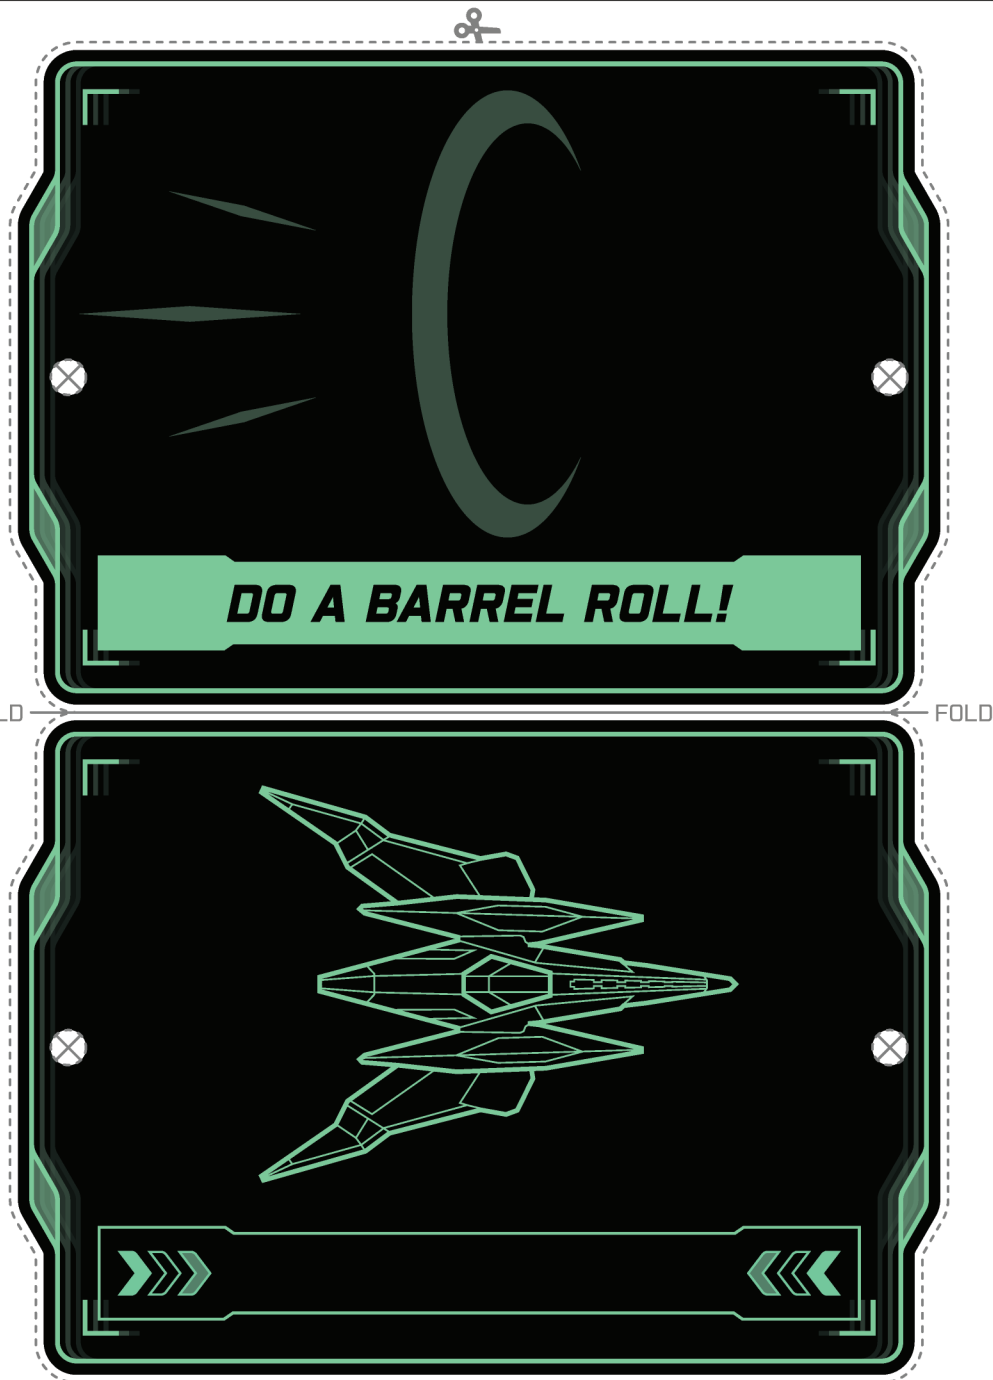

What you will need:

- ❖ **Paper** (sturdy paper like cardstock works best)
- ❖ **Glue stick**
- ❖ **2 rubber bands**
- ❖ **Pencil or holepunch**
- ❖ **Cardboard** (optional)
- ❖ **Scissors***

*Kids, ask a grown-up to help with scissors!

Instructions:

- Step 1:** Print this page on cardstock or regular paper.
- Step 2:** Cut out the "Do a barrel roll!" artwork along the dotted line.
- Step 3:** Fold the cut-out artwork in half along the solid line.
- Step 4:** Open the artwork and glue the non-printed side of the artwork cut-out.
- Step 5:** Fold the artwork again so the glue can set. For a sturdier craft you can glue the two sides onto a piece of cardboard.
- Step 6:** Use a holepunch or pencil to poke holes through the circles on each side.
- Step 7:** Loop a rubber band through each hole.
- Step 8:** Twist the rubber bands, then pull the rubber bands (not too hard!) to see the Arwing do a barrel roll!
