Make a Mother's Day card and matching envelope

To make the card, trim the edges with scissors. Fold the card in half, then in half again. Dom should be on the front of your card. Don't forget to sign your card!

To make the envelope, start by trimming along the solid lines using scissors.

Fold the flap  and  so they are inside the envelope. Using a glue stick, apply a little bit of glue on the flaps.

Fold the flap  so that it covers flaps  and  then allow glue to dry.

Slide your card inside the envelope, then fold the top flap. Seal with a glue stick, a sticker, or tape. Now you're ready to gift your card!
