

Pokémon Café Mix diorama

How to assemble:

*Kids, ask a grown-up for help with scissors!

- 1 Cut out the top bar, the background, and the bottom bar carefully along the dotted lines.
- 2 Fold back the tabs on the top and bottom bars along the solid line, then tape or paste tabs to the back of the background piece as shown. The background piece should curve slightly.
- 3 Cut out the Pokémon carefully along the dotted lines. Tape or paste the bottom strips together at the blue tab to make a loop at the base.
- 4 Place the Pokémon in the middle of the diorama and admire your café scene!
