

DIY Cat Mario Ears

Kids, ask a grown-up to help with scissors!

1. Cut out shape along the dotted lines.
2. Fold back tabs on the ears along solid lines, then tape or glue to the back of the other side.
3. Fold the band along the solid lines, then tape or glue the back sides together.
4. Punch a hole through both layers of paper on both sides of the headband.
5. Attach a string or ribbon to both sets of holes to create a headband. Meow you're ready to play!
